IN EVERY CRUSADER

WE
HONOR

DR. JOSEPH M. ERNEST, JR.

To you, Dr. Ernest, we dedicate this the
1961 CRUSADER.

FOR SERVICE

For the past five years you have competently and creatively served as Head of the Division of Language and Literature and as Academic Dean. You have established a standard of excellence in both positions.

FOR FRIENDSHIP

All students know that they can confer with you about problems. You have always been a friend of the students.

IN MEMORY OF: MRS. PEARL McKINNON

"Even so let your light shine before men; that they may see your good works and glorify your Father who is in heaven."

These words from the Sermon on the Mount exemplify the serious and sincere Christianity of Pearl Bryant McKinnon, who through most of her adult life was associated, directly or indirectly, with the Mississippi Woman's College and its successor, William Carey College. As a young teenager she attended the preparatory department of the Woman's College and later the college itself. She served for a time as the college dietitian and manager of the dining room, with a residence in Johnson Hall, where she was beloved by all the girls who sought her advice and counsel on their personal problems.

Mrs. McKinnon's home faced the campus on Tuscan Avenue and from here she kept close contact with affairs at the college. For years she conducted a branch post office near her home where she lovingly dispensed mail to her girls across the street. In her later years, she became the bookstore manager and supervisor of the campus mail at William

Carey College. She was a loyal contributor to the finances of the college both directly and through Immanuel Baptist Church.

She was always helpful, always gracious, and had a ready wit and a sense of humor that charmed all with whom she came in contact. In fact, she went about doing good at all times in all ways. Mrs. McKinnon was laid to rest last April 8 after a lingering illness from heart trouble which had claimed her two days before.

We are saddened by the loss of her physical presence. We are enriched by an abiding memory of her pleasant and gracious ways. We are comforted and consoled by the assurance of our faith that she has gone to an everlasting spiritual reward.

"And though from out our bourn of time and place

The flood may bear me far;

I hope to meet my Pilot face to face

When I have crossed the bar."

—Tennyson

THE PRESIDENT

What is there left to say? If the WORDS we have directed toward your education at Carey College could be placed end to end they would reach around the world.

Words are but vehicles for IDEAS. When they are forgotten, the IDEALS which they carried are often in the hearts of the heavens.

The contribution that Carey College has made to your lives has been given in the depths of life, where attitudes are absorbed through contact with warm Christian personalities. After several months at Carey, you know that this influence is directed toward certain goals. It points you toward a useful life, dedicated to high Christian IDEALS.

To be a faithful alumnus of William Carey College is to be devoted to these IDEALS.

Take your hands off me!

What do you mean?

Aw come on—kiss me!

I told you "Don't!"

Honestly, that boy!

What a physique

Why not?

Sitting pretty

Hmmm! Tell me more

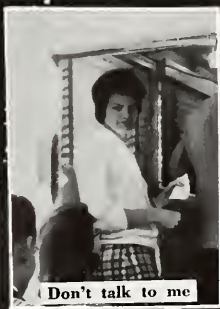

Which twin has the boy?

Well, I'll be

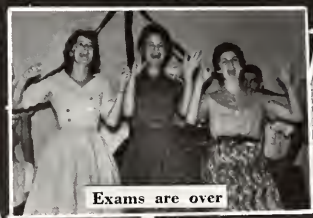

Which one is the dummy?

Don't talk to me

The beauty and the beast.
Which is which?

Exams are over

A fashion first!

Don't just stand there!

What did I do?

People are complaining!

Say... you finally got a break!

Fellow inmates! I promise to...

Maybe if I screamed

Do you think I need glasses?

We came to college for this?

Like, do you dig the message?

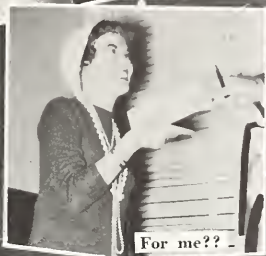

Dear me, I look a fright!

Look mom! No cavities

I really prefer "Mad"

For me?? -

No Ginger! They'll catch you!

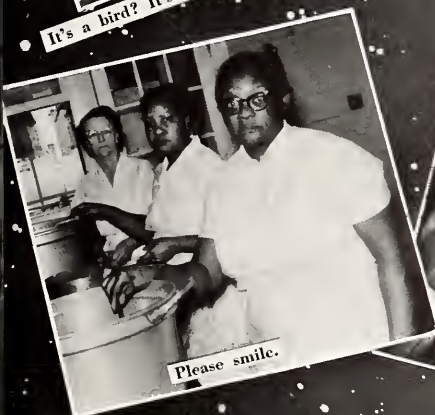

It's a bird? It's a plane? It's Rachel

She's loose again!

What do you see, Denny?

Please smile.

That ain't sasperilla, fellow!

I told you not to hit him hard!

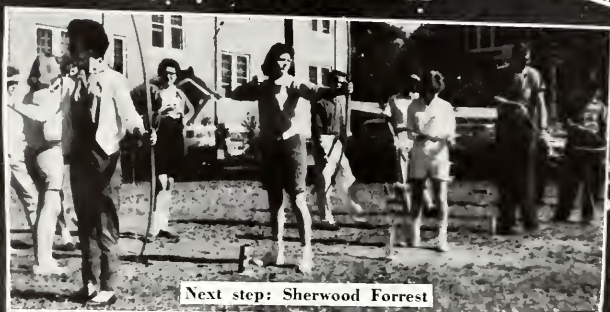

What! Laughing in our Library!
